

Zanzibar Dive Adventures is the scuba diving division of [Zanzibar Watersports Limited](#) , operating out of three five star [centres](#)

and offering services from a number of [hotels](#)

on the island. We visit around twenty Zanzibar sites on a regular basis and go to the famous Mnemba Atoll Marine Reserve at least every second day. Explore our favourite dive sites on a map [here](#)

For qualified divers we have a lot of variety available. From the deep dives at Leven Banks and the Big Wall to the shallow but incredibly beautiful dives at Tumbatu and Watabomi we really do have something for everyone. The trips are usually two dives and range from around three hours to six, depending on where you are going and what you are doing.

If you haven't dived before and fancy having a go, or you are already qualified and want to get that next level, then we offer the full range of [PADI courses](#) from Discover Scuba Diving to Open Water Scuba Instructor. If you like photography then we have digital underwater cameras available in the dive centre and run photography courses to help improve your pictures.

Courses available include: Discover Scuba Diving, Scuba Diver, Open Water Diver, Adventure Diver and Advanced Open Water Diver. For the more advanced diver, we offer: Rescue Diver, Emergency First Response, Dive Master, DAN O2 Provider and Open Water Scuba Instructor. PADI Specialties we can teach include: Digital Underwater Photography, Deep Diver, Night Diver, Underwater Naturalist and Peak Performance Buoyancy. If the course you want isn't listed, please contact us to check availability.
